FEBRUARY *DANCE MAGAZINE* Video of the Month Editors' Choice Winner:
Jennifer Archibald's *Battlegrounds*. See the video at dancemedia.com/v/3403.

Jennifer Archibald is a dancer/choreographer based in NYC. Her work, a fusion of hip hop and contemporary dance, has been seen at the Bates Dance Festival (where she is a long-time faculty member) and The Ailey School (her alma mater). She has also staged off-Broadway shows and has choreographed for commercial dancers, including the NY Knicks City Dancers. She directs Arch Dance Company, which performs on June 15 at Florida's Dance Festival in Tampa. She is a popular teacher of hip hop at Dance New Amsterdam. "I ask my dancers to move with and against gravity, as well as fly lyrically across space, encompassing both the hard edge of street dance and the fluidity of classical technique."
