Every night in my dreams I see you,
I feel you, that is how I know you go on.
Far across the distance and spaces between us
You have come to show you go on.

Near, far, wherever you are,
I believe that the heart does go on,
Once more, you open the door
And you're here in my heart, and my heart will go on.

You're here, there's nothing I fear,
And I know that my heart will go on
We'll stay forever this way.
You are safe in my heart, and my heart will go on and on.

*Recreation occurs during leisure.
 Accepting either the "free time"
 or "state of mind" definition for leisure,
 recreation is a leisure experience.
 Recreation may occur when one is
 free to make choices, in control of the
 situation, free from external compulsion.
 In other words,
 recreation occurs when one is at leisure.*
