JULY DANCE MAGAZINE Video of the Month Editors' Choice Winner: *World Cup: Sneak the Future*. See the video at www.dancemedia.com/v/4127.

Five dancers from the Sneaky Steppers ambush various public Manhattan locations in *World Cup: Sneak the Future*. They perform a mix of tap, hip hop, and Irish dance while cheekily kicking around a soccer ball or playing Ping-Pong. These site-specific actions are created by Hammerstep, a Boston-based troupe of *Riverdance* alums that has performed both nationally and abroad (another Sneaky video was made in front of the pyramids in Egypt).
