## 張德培、何思模 快速茁壯

### 炎黃子孫出人頭地 網壇慶幸後繼有人

張德培、何思模最近幾天在美國青少年網球錦標賽橫掃千軍，攻無不克；一位以小吃大獲得十八歲級單打冠軍，一位囊括十四歲級單打、雙打「大滿貫」，中美兩國網壇都為其快速茁壯興奮不已！

全世界的中國人在期待炎黃子孫能在網壇出人頭地數十年後，好不容易看到張德培、何思模股翼漸豐，在人才薈集的美國，居然出類拔萃，證明黃皮膚、黑眼睛的中國人打網球也拔尖的。

另一方面最高興的，應該是面臨青黃不接的美國網界，在最近兩、三年面臨人才枯竭時，看到張、何等新秀球技日新月異，假以時日即可填補康諾斯、馬克安諾諾等人空缺而信心十足。

美國在近代世紀以來，一直主宰國際網壇，但是最近兩、三年來，男網球員技術式微，康諾斯年華已老，馬克安諾諾結婚後只能名列十傑之末。

今年美國台維斯杯代表隊遭遇前所未見的「黑暗天日」，世界組第一回合輸給巴拉圭，落選賽又輸給西德，弄得明年必須

降班參加北美地區賽，美國網界為窮業沈淪憂心忡忡。

張德培、何思模從兩、三年前崛起，即展現無限潛力，吸引美國網球協會注目，張德培長何思模兩歲；一九八四年張德培首先斬露頭角，這一年獲得全美總錦標賽、硬地及世界少年錦標賽冠軍。

小兩歲的何思模緊追在後，一九八五年他更上一層樓除了贏取張德培的上述冠軍頭銜外，還加上紅土球場單、雙打冠軍。

最近的全美總錦標賽分在兩地舉行，張德培以十五歲年齡連敗十八歲選手（部份已是職業選手），奪得在卡拉馬茲市舉行的冠軍，實現了他的父親張洪奎在今年四月返回台北時的目標。

這項冠軍對張德培深具意義，而且影響重大，其聲譽大者有三：

①獲得全美總錦標賽冠軍者，大部份成為日後職業網壇巨星，例如一九六四年史丹·史密斯，一九七〇年高夫瑞，一九七二年杜布里，一九七九年戴維斯，一九八三年克瑞斯堪……以

此旁證，張德培未來一片璀璨。

②以前打敗張德培的青少年好手巴克·何爾瑞，或實力相當的球伴布來克曼，這次全部屈居在張的拍下，顯示只有十五歲的張德培已是全美十八歲級青少年組第一。

③取得八月底參加美國公開賽會內賽資格，這項四大公開賽只有全世界二、八百位選手有資格參加，張德培最近半年除台北賽，不再參加青少年比賽，專心苦練硬地球場總算奏效。

何思模雖然還沒有職業選手比賽的經驗，但是以現階段年紀看來，包辦了十四歲級所有美國網賽冠軍，其成就不遜於張德培，加上他的身材高大，未來成就無可限量。

我們一面為美國網界後繼有人欣慰外，還國內網界應該也燃起無比信心，張德培、何思模的雙親都是從台灣赴美，他們都是中國人，他們的網球打得這麼好，我們的青少年選手應該抱持：「有為者亦若是！」的期許。

### Ho claims two world titles

By **BERNARD RUCK**  
LAKELAND, FLA. — Ken Flach said his title triumph was minor news. Like the thousands who stayed by the actor Walter Matthau's Tommy Ho of Marine Drive open to the public, but meant what it meant. He completely overcame his loss. Everybody knows what the net comes it going to be.  
Three times Sunday, coming home in the day, and so brought two world championships back to Lakeland.  
The 33-year-old tennis sensation won the Boys 12s singles title at the International Tennis Federation Sports Study Tourney world Championship here, defeating Akira of Japan 6-1, 6-1.  
He then teamed with Tomoko Lock of Lakeland, Calif., and won the Junior Doubles title. The two United States entries defeated Jamie Holmes and Paul Killgore of Australia in a straight final 6-7.  
He appeared to be playing at a level above the other 12-year-olds when he won his first game on a service break, and he was so placed as just taking one game that he threw his arms in the air in triumph. Holmes then had his own service to cut the lead to 2-1.  
single shot," explained Flach. "It is that you force your opponent to have to make decisions. He is either going to hit with a forehand or he is going to miss the shot. Most 12-year-olds can't handle it. Tommy hit a heavy

final one when they were not working.  
His repeated returns of sharp and shotted angles toward the baselines never worked better. He hit overhead shots for winners. He hit drop shots. He hit deep forehands that led to him getting to the net.  
In a surprising match he had won over Holmes, 6-2, 6-1, attacking the Australian player with such intensity that Holmes gave up the strategy he might have had and spent the entire match just trying to return the ball. Flach was behind 3-0

himself in the final, but score does not indicate his standing shot-making, he times during the match. The crowd of 500, many of them Junior Haven, gave thousands of applause to Flach.  
"This was the best match," he said later.  
His plan for the match to hit deep returns and to serve toward the baseline was going to try to keep it and then to hit the angles, once he was able coming short balls and quick from side to side.  
He did not get the ball from his powerful serve the second game of the set. "I was stiff," he said.  
Perhaps the biggest shot the match came in the first when he, leading 1-1, service break with a well-worked down the back. "That was an amazing shot," he admitted.  
"But it was still hard to play with." He won up 4-0 in the
