SEPTEMBER DANCE MAGAZINE Video of the Month Editors' Choice Winner:

Shannon Gillen & Guests. See the video at dancemedia.com/v/4302.

Dancer Genna Baroni rehearses excerpts from a solo, *GEOMETRY*, with choreographer Shannon Gillen. "GEOMETRY was created for the constraints of a small space," says Gillen, "so it was a fun challenge. It was also an opportunity to develop my understanding of Genna, who is new to my company, Shannon Gillen & Guests. I have been developing work that contends with generating and easing tension within space." Gillen's *CLAP FOR THE WOLFMAN* will be performed at NYC's Judson Church in February.
